

SOCIAL SECURITY **UPDATING ADDRESS**

Step 1: Go to the Social Security Website

Open a web browser and go to www.ssa.gov.

Step 2: Log in to Your My Social Security Account

Click on "Sign in" at the top right corner.

Select "my Social Security" from the dropdown menu.

Click the "Sign In" button.

Enter your username and password.

If you don't have an account, click "Create an Account" and follow the registration steps.

Step 3: Navigate to the Address Update Section

Once logged in, scroll down and click "My Profile".

Select "Update Contact Information".

Click on "Change Address".

Step 4: Enter Your New Address

Fill in your new street address, city, state, and ZIP code.

Double-check for accuracy to avoid any delays in receiving your benefits.

Click "Submit" to save the changes.

Step 5: Confirm the Update

After submitting, you will receive a confirmation message on the screen.

You may also get a confirmation email or mail notification from SSA within a few days.
